# CTLOA Training Procedure

WORKING @ GETTING BETTER

---

## New Interest Process:

- **Sign up with USA Lacrosse**

Officials should register with USA Lacrosse to access the appropriate training modules for the level of games you are most comfortable with officiating. Submit completed certification to [trainer@centexloa.org](mailto:trainer@centexloa.org). Youth officials begin with the lowest level certification first. Click on the link to the eLearning platform for the appropriate course. ( [USA Lacrosse eLearning](#) )

- **Complete the Interest Form**

If you haven't already, please complete the [interest form](#). This form helps CTLOA gather key information such as your name, age, level of knowledge, location, and availability for games.

- **Apply for CTLOA Membership**

After finishing the training modules, don't forget to apply for CTLOA membership.

---

## Follow up

Training Staff will follow up within 30 days of expressed interest to all new LOA candidates and ensure all the steps are completed for development of each official.

---

# Training Requirements
